

MEMORANDUM FOR: Chairman, SECOM

FROM:
Director of Security

SUBJECT: Revision of DCID 1/14 re Off Duty Activities

REFERENCE: SECOM-D-174, dtd 24 June 1985, Same Subject

1. This memorandum is in response to referenced request to comment on the proposed new paragraph 11 of DCID 1/14 which provides security policy guidance concerning off duty activities of persons holding or being considered for SCI access when those activities might conflict with security obligations. The following comments are offered:

° Paragraph 1. - The last sentence should be changed to read, "For those with access, reporting will be in writing to their cognizant security officer prior to (vice 'immediately following') initiation of employment or activities of potential concern". Part of the rationale for such reporting includes the opportunity for the Security Officer to make a security judgment prior to the individual's involvement in the activity.

° Paragraph 3. - The responsibility to submit documents for prepublication review should be more forcefully highlighted in the revision since those individuals with SCI access are required to sign such an agreement.

2. It is recommended that the above suggestions be incorporated into the revision of DCID 1/14.
